WORK EXPERIENCE

FREELANCE

Los Angeles, CA

Graphic Designer

2014 – 2024

- Worked with directors and production teams to create visual concepts for films, music videos, and commercials, ensuring they matched the project goals.
- Designed development decks and visual treatments with a strong focus on detail and visual storytelling.
- Managed multiple projects at once, consistently meeting tight deadlines and client needs.
- Adapted to different project styles and requirements, showing flexibility and a willingness to learn.
- Collaborated with diverse teams, including directors, writers, and producers, to achieve project objectives and maintain clear communication.
- Solved creative challenges by finding visual solutions that worked within specific budgets.

UNICORNS & UNICORNS

Los Angeles, CA

Designer

2020 – 2024

- Designed a variety of creative projects, including large-scale print graphics, interface design, editorial design, and experiential design.
- Collaborated with developers, film directors, agency creatives, and other contractors to deliver projects for major brands like Activision-Blizzard, Coca-Cola, Body Armor, Amazon, and Chevrolet.
- Developed visual concepts and layouts that effectively communicated brand messages and enhanced customer engagement.
- Led design revisions and feedback sessions with clients and team members to refine and finalize projects.

COSA BUONA

Los Angeles, CA

Head Pizza Maker

2017 – 2019

- Crafted high-quality, wood-fired pizzas in a popular neighborhood restaurant, maintaining consistency and flavor in every dish.
- Trained new team members in pizza-making techniques, fostering a collaborative and fun kitchen environment.
- Thrived in a fast-paced setting, working efficiently to keep up with high demand during busy nights.

CAVIAR CONTENT

Los Angeles, CA

Art Director

2011 – 2014

- Built and led a full-service design team, including in-house designers, writers, and freelance contractors, to deliver a wide range of creative projects.
- Developed marketing materials, environmental design, on-screen graphics, feature film content, corporate data visualizations, branding, and interactive experiences.
- Fostered a collaborative environment that encouraged creativity and innovation across all projects.
